A Cab Franc State of Mind

with Kevin Zraly

Cabernet Franc flourishes in the cool climate of four of New York's AVAs, and has rightfully risen to fame as a stand-alone varietal in recent years. Lively moderator Kevin Zraly, wine educator and author, will lead a roundtable discussion with outstanding Cabernet Franc producers from Seneca Lake, Long Island, Hudson Valley and the Finger Lakes and debate what it takes to produce a wine that has claimed the title of "the unofficial red grape of New York."
